

Crossing boundaries in IBD and future practice in Liver disease**TUESDAY 4th SEPTEMBER**

1315 Registration

Coffee

1350 Welcome

Dr Simon Travis

S1 Translating pathogenesis into practice: Professor Fiona Powrie, Professor Michael Grimm

1400 Predicting outcome in IBD by crossing the T's Dr James Lee, Cambridge, UK

1425 The microbiota of gut and liver disease Dr Philippe Seksik, Lille, France

1450 Mucosal signalling in IBD Dr Matthew Shale, Oxford, UK

1515 Gut and liver cross talk Professor David Adams, Birmingham, UK

1540 *Tea***S2 Mechanisms and management of viral hepatitis: Dr Katie Jeffery, Dr Jane Collier**

1610 Tracking the history of hepatitis Dr Oliver Pybus, Oxford, UK

1635 Hepatitis E today and tomorrow Dr Ellie Barnes, Oxford, UK

1700 Hepatitis B: current and future targets for therapy Professor Paul Klenerman, Oxford, UK

1730 Therapeutic dilemmas in Hepatitis C Professor Geoff DuSheiko, London, UK

1800 *Close***WEDNESDAY 5th SEPTEMBER****S3 Hot topics in liver disease: Dr Ellie Barnes, Dr Roger Chapman**

0845 Coagulopathy in liver disease: complication or therapy? Dr Vipul Jairath, Oxford, UK

0910 IgG4 systemic disease Dr Emma Culver, Oxford, UK

0930 Cell-based therapy for α 1-anti-trypsin deficiency and inherited liver disorders Dr S Tamir Rashid, Cambridge, UK

0955 Treatment of NASH Dr Jude Oben, London, UK

1020 *Coffee***S4 Messages from genetics for systemic disease: Dr Alison Simmons, Dr Simon Leedham**

1045 Primary Sclerosing Cholangitis Professor Tom Karlsen, Oslo, Norway

1110 Primary Biliary Cirrhosis Dr George Mells, Cambridge, UK

1135 Whole genome sequencing in IBD Professor Carl Anderson, Cambridge, UK

1150 Early onset IBD: lessons for practice Professor Bodo Grimbacher, London, UK and Freiburg, Germany

1215 *Buffet lunch***S5 Conventional and novel approaches in IBD: Dr Satish Keshav, Dr Holm Uhlig**

1330 5ASA for Crohn's disease: gone with the wind? Dr Peter Irving, London, UK

1425 Have steroids had their day? Professor Silvio Danese, Milan, Italy

1450 Biodissimilars: the future of biologic therapy Professor Geert D'Haens, Amsterdam, Netherlands

1515 Treating to target, beyond symptom control Professor Subrata Ghosh, Calgary, Canada

1540 *Tea*

Crossing boundaries in IBD and future practice in Liver disease

S6 Managing IBD at the extremes of age: Dr Simon Travis, Dr Peter Sullivan		
1600	Diagnosis and misdiagnosis of IBD in children	Professor Frank Rümmele, Paris, France
1625	IBD in the elderly	Dr Bas Oldenburg, Maastricht, Netherlands
1650	Transitioning teens	Dr Mark Beattie, Southampton, UK
1710	Truelove lecture Manipulating fibrosis in luminal and liver disease	Professor John Iredale, Edinburgh, UK
1800	Close	
1830	Reception Balliol Quad	
1930	Gala Dinner, Balliol College	

THURSDAY 6th SEPTEMBER

S7 IBD in context: Dr Satish Keshav, Dr James East		
0830	Crohn's disease from 1643 to 1932	Dr Philippe Van Hootegem, Bruges, Belgium
0850	Thiopurines and cancer	Professor Laurent Peyrin-Biroulet, Nancy, France
0910	Lessons for IBD from rheumatoid arthritis	Dr Andrew Ostor, Cambridge, UK
0930	Move to Workshops	
S8 Workshops on luminal and liver disease		
0935	A: Endoscopic assessment of UC	Dr Simon Travis, Oxford, UK
	B: Current management of ascites	Dr Johnny Halliday, Oxford, UK
	C: What physicians need to know about IBD Surgery	Mr Richard Guy & Miss Bubby Thazi, Oxford, UK
	D: Endoscopic therapy in IBD	Dr Adam Bailey, Oxford, UK
	E: Animal models of IBD	Dr Holm Uhlig, Oxford, UK
	F: Clinical trial design in IBD	Dr Vipul Jairath, Oxford, UK
	G: Managing anaemia in IBD	Dr Alex Kent, Oxford, UK
	H: Perianal Crohn's disease	Mr Bruce George, Oxford, UK
1015	<i>Coffee</i>	
S9 Workshops on luminal and liver disease (continued)		
1045	I: Vaccines for hepatitis C	Dr Christabel Kelly & Dr Ellie Barnes, Oxford, UK
	J: Indications for transplant in viral liver disease	Dr Jane Collier, Oxford, UK
	K: Gut epithelial barrier and the microbiota	Dr Alison Simmons, Oxford, UK
	L: Endoscopic surveillance in UC	Dr James East, Oxford, UK
	M: Chemoprevention in UC	Dr Satish Keshav, Oxford, UK
	N: Clinical Nurse Specialists: getting the best out of your IBD service	Sr Lydia White & Sr Penny Love, Oxford, UK
	O: Surgery for intestinal failure in IBD	Professor Neil Mortensen, Oxford, UK
	P: TIPPS today, gone tomorrow	Dr Jane Phillips-Hughes, Oxford, UK
1125	Workshop close	
S10 Cellular therapy in luminal and liver disease: Professor Fiona Powrie, Dr Simon Travis		
1130	Cellular therapy to tweak liver regeneration	Dr Tom Bird, Edinburgh, UK
1200	The future of managing Crohn's disease, today	Professor Chris Hawkey, Nottingham, UK
1230	Close	Professor Fiona Powrie
1245	<i>Buffet lunch</i>
