

Oxford IBD MasterClass 2022

*Immunology and Immuno-Modulatory Therapy in
Inflammatory Bowel Disease: Bench to Bedside*

12th & 13th September 2022
Examination Schools, Oxford, UK

Monday 12th September

IBD Nursing; On the Move

Speakers: Aileen Fraser (Bristol & Weston), Lisa Younge (CCUK & St Marks), Dr Karen Kemp (Manchester),
Regine Lagazo (Oxford), Professor Lesley Dibley (Greenwich) & Lydia White (Oxford)

a theoretical and practical session exploring academic and research pathways for advanced IBD nursing practice. This programme will take place on the morning of Monday 12th September, after which nurses attending are welcome to register for the main Oxford MasterClass sessions on Monday afternoon and Tuesday morning too.

'We are delighted to announce that 20 bursaries have been made available for NHS professionals to cover the costs of individual registrations to IBD Nursing; On the Move. If you would like to be considered for a bursary, please contact omc2022@ndm.ox.ac.uk stating your name, hospital/location and job title; and any other information that you feel may be relevant to your attendance by 30th June 2022. Please note the bursaries will cover the costs of registration, not other expenses of travel and accommodation.

Registration & all other details can be found at <https://www.expmedndm.ox.ac.uk/research/masterclass>
